

Typewriter Key Jewelry Bracelets, earrings, pendants, more

In the spirit of author Maud Hart Lovelace, a variety of antique Typewriter Keys have been rescued, painstakingly cleaned, and then fashioned into unique and affordable bracelets, pendants and earrings.

The bracelets displayed here are just a small example of what's available. These commemorate M.H.L. and the Betsy-Tacy books. The possibilities are endless for personalized gifts or your own creative ideas! Prices range from \$10 to \$38.
